AT THE TIME OF EVIL

It was the day of Saint Lucy, 13 December 2022, I was thinking about how I could definitively demonstrate to the whole world the cruel deception in which we live, so, I thought I'd put the findings of my previous book "The Secret Timeline" to good use and use them to accurately predict an event that has never before been predicted, the date of the end of a papacy and the first name, last name, election date and papal name of the possible future pope of the Catholic Church, but I never imagined discovering what I discovered, something bordering on logic, sometimes surreal, sometimes inconceivable, but always diabolically ordered, to the point of questioning the nature reality itself. I was looking at the pictures of all the, as of the time of writing, 123 eligible cardinals, the ones who can be elected once the current pope, Francis, will leave the papal seat, and I immediately found the one cardinal I was looking for: Jean Zerbo.
Jean Zerbo, born in Ségou, Mali, on December 27, 1943 is the first Malian cardinal of the Roman Catholic Church. From the official Vatican website: “His priestly ordination took place on 10 July 1971, in Segóu. Part of his higher formation was carried out in Lyon. He graduated from the Biblical Institute in Rome, where he obtained a licentiate in sacred scripture (1977-1981). From 1982, for several years, he worked as a parish priest in Markala and as a lecturer at the major seminary of Bamako. He was appointed as auxiliary bishop of the archdiocese of Bamako on 21 June 1988. On 19 December 1994 he was transferred, as titular bishop, to the diocese of Mopti. On 27 June 1998 he was appointed archbishop of Bamako. He has played an active role in the peace negotiations in Mali. He has been involved in the fight against exclusion and, above all, has promoted reconciliation and solidarity among Malians. Created and proclaimed Cardinal by Pope Francis in the consistory of 28 June 2017, of the Title of St. Anthony of Padua on via Tuscolana. Member of: Dicasteries for the Evangelisation; for Laity, Family and Life.” but I never imagined discovering what I discovered, something bordering on logic, sometimes surreal, sometimes inconceivable, but always diabolically ordered

The informations you are about to read were not meant to be of public dominion, nor they were meant to be known by anyone else except the

individuals who are behind the creation of this system, at one point while reading these almost otherworldly revelations you will ask yourself if this reality is truly “real”, don’t worry, that’s a symptom of sanity, yet we, the 99% of the people, who are outside the exclusive circle that runs the show, must not ignore the fact that there forces in motion, and they go beyond our conception of reality. We were programmed on the surface to hold a strong disbelief about what is “on the other side”, the invisible world that com-penetrates our physical reality, yet we were subconsciously programmed by medias such as movies and novels in believing and fearing, but also by the structure of our very language, on the deepest part of our mind, the “others”, these invisible entities that are always at work.
They are those who make coincidences happen, they move the structure of our time as a four dimensional Rubik cube, which is truly out of our perceived “time”, in an eternal instant that embeds every single moment of every time that has ever passed, each face of the cube is divided in smaller parts of itself, just as a fractal, and we humans are a part of this infinite fractal, and we ourselves are the single faces that are the same of the whole, and are constantly manipulated by the ever present architects of time, which perpetually aim to solve the puzzle that is our reality, as a whole and as individuals, in order to fulfil the need for harmonious order, yet, even Evil can do perfect things, thus one must choose, in every choice time presents to him or her which hand to choose, the Right Hand of Goodwill or the Left Hand of Evil. People in position of power such as high ranking members of the Church, sects, banks, nations and religious orders, imitate what we may call the “Hand of Time” in order to grant for themselves everything their insatiable hunger wants, and to protect their status in order to not lose it, yet they are not invisible, they leave tracks behind them, marks, because they actually walk on a path already traced by their masters, because they are the servants of the lesser spirits of this world; Christians call them Demons, Gnostics call them Archons, I call them Architects of Evil, they leave a mark behind them every time there is death, ruin, suffering and destruction they leave their fingerprints, tracks that lead in one precise direction, because they must brand their victims with the mark of the beast. This work aims to walk the rails of time starting from the past and going forward to the nearest future. Time doesn’t exist, it is a concept created by man in order to regulate his life, time in fact is void, something that never begins and never ends, the only thing that can be identified as such is, by

definition, “nothing”. Nothing never ends, and what is time if the possibility? Only through the void of space one can exist, if reality was a whole, single object, placed in an universe filled in every part of its “non-space” than nothing would have had the possibility to exist. Think about it, when we walk we actually walk through time, we produce time because we move, moving from one point to another is not time itself, time is the possibility of doing it. God is like time, we exist through Him, and, as the void of space that defines every object or living creature that exist, He gives freedom, time doesn’t exist but freewill does exists, yet, once one gives his life to the Left Hand of Evil, then he loses it all, he will do as his master tells him, consuming himself as time passes by, maybe he’ll gain riches, power and a long life, but compared to eternity all time is madness. In the end time wins against us mortals, yet space remains, and the space we filled with our freedom of doing good instead of evil will echo through time forever once we we will be taken by the hand and accompanied towards what is the essence of time, an eternal nothing, full of everything, which does not need anything but a light heart and a soul that can shine while traveling towards our respective home star, to return to its state enriched by the warmth given by the good that has been done in this absurd parenthesis between two eternities, the one before birth and the one after death, which is our time here and now.
In my previous book, "The Secret Timeline" I wrote, in the last lines, that one may be able to predict future events once he realises the structure of Time, in this book I will give meaning to my words by examining the possibility of the papal election of the Malian cardinal Jean Zerbo, born in Ségou, Mali, on 12/27/1943, the dates marked in his life such as his birth and his priesthood ordination are cardinal points in what I previously called "The Secret Timeline" and now I will refer to "The Time of Evil", Tempore Mali.

Gospel of John 10:10-11

He was in the world, and though the world was made through him, the world did not recognise him. He came to that which was his own, but his

own did not receive him.

GEMATRIA

Look around you, everything that we can see is made of molecules, that are made of atoms, that are made of particles, that are made of quantum fields, whose nature is mathematical since they have no subjective qualities and are only describable with equations and numbers. If the deepest nature of the universe were to be mathematical then its language would be pure numbers. The ancient Greek and Hebrew alphabets are said to have been a gift from the Gods, or in the case of Hebrew, YHWH. These alphabets had no distinction between numbers and letters, each letter was indexed in sequence in order to correspond to a value, a quantity, thus each letter word expressed the sum of its letters with a number. Gematria is the practice of assigning a numerical value to a name, word or phrase according to an alphanumerical cipher, a single word can yield several values depending on the cipher used. In this book I will use various ciphers based on numeric sequences such as the basic English Ordinal (A=1, B=2, C=3, etc) abbreviated “EO”, Reverse Ordinal (A=26, B=25, C=24, etc) abbreviated with “RO”, Full Reduction (numbers from 1 to 9 in sequence, A=1, B=2 then I=9 and back to J=1, K=2, etc) abbreviated “FR” and its reverse abbreviated with “RFR”, then the Extended Ciphers, English Extended (A=1, B=2, through J=10 then K=20, L=30 and so on up to S=100, T=200 and so on) abbreviated EE, its reverse abbreviated with RE (Reverse Extended) and its alternative version, English Extended Alternative (A=1, B=2 then as EE J=10, K=20 up until S=100, T=110, U=120 etc). The other ordinal Gematria ciphers I will use are the Agrippa Key (A) and its reductions, Agrippa Ordinal (AO) and Agrippa Reduction (AR), the Illuminati Cipher, already used and explained in “The Secret Timeline”, the Sumerian Cipher and its reverse (the alphabet indexed to multiples of 6), abbreviated ES and RS, and the mathematical ciphers such as the Fibonacci Cipher, Fibonacci Sequence, Primes, Triangular, Squares and Pentagonal numbers as well as the Alphanumeric Qabbala (AQ) whose sequence begins with numbers from 0 to 9 and is followed by letters, (0-9, A=10, B=11 up to Z=35) and the “Satanic” cipher, its reverse and its alphanumeric counterpart (abbreviated S, RevS and AS), a cipher that indexes the alphabet starting from 36 whose corresponding triangular number (the sum of each number up to that value) is 666 (A=36, B=37, C=38 etc). The last category of

ciphers I will use are the Case Sensitive and its reverse (A=1 to Z=26 for the lowercase and A=27 to Z=52 for the uppercase), abbreviated CS and RCS, I will use these particular ciphers very rarely and exclusively for proper names. Gematria is important since every name is marked by a number and every date or timespan between two given dates marks a number that might mark a precise name.

Pope John Paul I, the last Italian pope of the Catholic Church, died on 28 September 1978, 33 days after his election, his death fell 934 days after the Cavalese cable car crash in Trentino, Italy, that killed 43. It is the deadliest cable car crash in history. The successor of pope John Paul I, pope John Paul II, died 934 days after the first anniversary of the Terrorist Attacks of 9/11/2001 that killed 2977 and injured thousands. His successor, pope Benedict XVI announced his resignation on 2/11/2013, 94 months, 3 exact weeks after the funerals of John Paul II and 93 months, 4 exact weeks after the first day since his 78th birthday which was 3 days before his election. Pope emeritus Benedict XVI died 934 minutes after my prediction based on code 9576 (posted here Twitter), at 9:34, 934 days after the first anniversary of the Building Explosion of Rocca di Papa in Rome, which killed 2, including the mayor, and injured 14. “The pope”=934 Reverse Trigonal. February 22, 2023, will mark 933 weeks, 4 days after the death of pope John Paul II on 4/2/2005, while the following day will mark 934 days after the Beirut explosion of 8/4/2020 that killed 218 and injured thousands. The Beirut explosion occurred on the 1st anniversary of the Cairo Car Bombing which killed 20 and injured 47.
February 22 will mark 9 years, 340 days since the inauguration of pope Francis that took place on 19 March 2013, again, 934. 9 years, 340 days are 3627 days since the inauguration of pope Francis. 3627 is the Greek Isopsephy value of the first verse of the Gospel of John.

John 1:1
In the beginning was the Word, and the Word was with God, and the Word was God.

John 1:1

Ἐν ἀρχῇ ἦν ὁ λόγος, καὶ ὁ λόγος ἦν πρὸς τὸν θεόν, καὶ θεὸς ἦν ὁ λόγος.

Bergoglio was born on 17 December, the first day of the ancient feast of Saturnalia, a feast of sacrifices to the titan god Saturn

1 exact year before 22 February of this year Elon Musk, the so called richest man on Earth, a person informed on future plans of the sect who controls the world, of which he is probably a member, tweeted the symbol that represents the planet Saturn which js used in the Christogram IHS on the black sun (esoteric name of Saturn) in emblem of the Jesuit Order, of which Francis is a member, the first to pope in history to be a Jesuit. Saturn is the god of Time worshipped in antiquity and still worshipped by sects such as The Brotherhood of Saturn, Fraternitas Saturni, a German magical order founded in 1926 by Gregor A. Gregorius and four others. It is one of the oldest continuously running magical groups in Germany, country of the Illuminati Order. Musk tweeted the symbol for Saturn on 2/22/22, “Fraternitas Saturni”=222 AO, 201 Illuminati Reverse, “Worship Saturn”=201 EO, “Brotherhood of Saturn”=1004 A, “Jesuit”=1004 A, “Saturnus Pater Tempore (Saturn Father of Time)”=1004 Fibonacci Cipher, the date 10/04, the feast of “Saint Francis of Assisi”=1004 EE, “Assisi”=1004 RE of the year 1582 when the Gregorian Calendar, wanted by pope Gregory XIII of the Roman Catholic Church, as a modification of, and replacement for, the Julian calendar. The principal change was to space leap years differently so as to make the average calendar year 365.2425 days long, more closely approximating the 365.2422-day 'tropical' or 'solar' year that is determined by the Earth's revolution around the Sun. The Gregorian Calendar appears to be tuned with Gematria, it was instituted on the 277th day of the year, “גימטריה (Gematria)”=277 Hebrew Ordinal, “Time”=277 REA. The Gregorian Calendar also appears to be fine tuned to return meaningful timespans between cardinal dates of the history of the world, for example, the date of the founding of the Rome is 4/21/753 BC and the date of its fall is 9/4/476 AD, between these two dates there is a span of 1229 years, 137 days, 1229 is the 201st prime and 137 the 33rd, two meaningful numbers of the secret language of numerology and time. “Jorge Mario Bergoglio”=201 EO and 1229 (201st Prime) Fibonacci Cipher, pope Francis the Jesuit, is the first to take the name of “St. Francis of Assisi”=201 Illuminati, whom Feast, again, marks the beginning of the Gregorian Calendar. Francis is the 111th Pope of the Prophecy of St. Malachy, thus the last. The choice of the name Francis might be the key, since the Feast of Saint Francis of the year 1582 was the end of the Julian Roman Calendar, almost like Francis’ name signals the end of the time of Roman Catholic Church. The motto for Benedict XVI in the Prophecy of

the Popes of Saint Malachy is “Gloria olivae (Glory of the olive)” since the Benedictine order has the olive branch as its emblem, Jesus was arrested at the feet of the Mount of Olives and then brought in front of the Sanhedrin that condemned him to death. The Catholic Church, but in reality the (good) Christians, will walk the same path as Jesus, the calvary that began in the Gethsemane, a garden on the foot of the Mount of Olives (Gloria olivae, Benedict XVI) up to martyrdom at the hands of the devils that have infested every position of power in this world. There will be three popes who will disown the word of Jesus Christ before the end of Christianity, which now lives only in the good deeds of blindfolded sheep grazed by wolves disguised as shepherds, three as the times the Apostle Peter, the first Pope, disowned Jesus Christ on the night of his arrest.

Gospel of Matthew 26

Jesus Predicts Peter’s Denial

31 Then Jesus told them, “This very night you will all fall away on account of me, for it is written:
“‘I will strike the shepherd, and the sheep of the flock will be scattered.’
32 But after I have risen, I will go ahead of you into Galilee.”
33 Peter replied, “Even if all fall away on account of you, I never will.”
34 “Truly I tell you,” Jesus answered, “this very night, before the rooster crows, you will disown me three times.”
35 But Peter declared, “Even if I have to die with you, I will never disown you.” And all the other disciples said the same.

Gethsemane

36 Then Jesus went with his disciples to a place called Gethsemane, and he said to them, “Sit here while I go over there and pray.” 37 He took Peter and the two sons of Zebedee along with him, and he began to be sorrowful and troubled. 38 Then he said to them, “My soul is overwhelmed with sorrow to the point of death. Stay here and keep watch with me.”
39 Going a little farther, he fell with his face to the ground and prayed, “My Father, if it is possible, may this cup be taken from me. Yet not as I will, but as you will.”

40 Then he returned to his disciples and found them sleeping. “Couldn’t you men keep watch with me for one hour?” he asked Peter. 41 “Watch and pray so that you will not fall into temptation. The spirit is willing, but the flesh is weak.”
42 He went away a second time and prayed, “My Father, if it is not possible for this cup to be taken away unless I drink it, may your will be done.”
43 When he came back, he again found them sleeping, because their eyes were heavy. 44 So he left them and went away once more and prayed the third time, saying the same thing.
45 Then he returned to the disciples and said to them, “Are you still sleeping and resting? Look, the hour has come, and the Son of Man is delivered into the hands of sinners. 46 Rise! Let us go! Here comes my betrayer!”

Jesus Arrested

47 While he was still speaking, Judas, one of the Twelve, arrived. With him was a large crowd armed with swords and clubs, sent from the chief priests and the elders of the people. 48 Now the betrayer had arranged a signal with them: “The one I kiss is the man; arrest him.” 49 Going at once to Jesus, Judas said, “Greetings, Rabbi!” and kissed him.
50 Jesus replied, “Do what you came for, friend.”
Then the men stepped forward, seized Jesus and arrested him. 51 With that, one of Jesus’ companions reached for his sword, drew it out and struck the servant of the high priest, cutting off his ear.
52 “Put your sword back in its place,” Jesus said to him, “for all who draw the sword will die by the sword. 53 Do you think I cannot call on my Father, and he will at once put at my disposal more than twelve legions of angels? 54 But how then would the Scriptures be fulfilled that say it must happen in this way?”
55 In that hour Jesus said to the crowd, “Am I leading a rebellion, that you have come out with swords and clubs to capture me? Every day I sat in the temple courts teaching, and you did not arrest me. 56 But this has all taken place that the writings of the prophets might be fulfilled.” Then all the disciples deserted him and fled.

The Apostle Peter, the first pope, died martyr in what is now St. Peter Square, on 64 AD, “Morte (Death)”=64 RO, “Kill”=64 RO, pope Benedict

XVI, “pope Ratzinger”=64 RFR, died 934 minutes after reaching the age of 95.706 years, at 9:34, 6464 days after his papal election on 4/19/2005 and 64 days after 27 October 2022, the date of the time 9:57:06 AM, that corresponds exactly to his age of death, which was 666,666,666 seconds after the 8:46 AM of 9/11/2001, as exposed in “The Secret Timeline”.

Benedict XVI died on 12/31/2022, 4 days after the 79th birthday (4 days-79 years) of “Jean Zerbo”=479 Fibonacci Cipher, Benedict XVI died 18802 days after “Jean Zerbo”=882 RS was ordained, 12460 days after Zerbo was made Bishop and 24 years, 6 months , 4 days (2464) after Zerbo was made Archbishop, “Catholic Church”=246 RO, “Pontifex ab Ecclesiae Catholica (pope of the Catholic Church)”=246 EO. Benedict XVI’s body was publicly exposed in St. Peter’s Basilica in Rome starting on 1/2/2023, a date that falls 66 months, 6 days (666) after Jean Zerbo became cardinal.
Pope emeritus Benedict XVI died 55 days before 22 February 2023, “Satan”=55 EO and 68 days before 8 March 2023, “Iesu (Jesus)”=68 Fibonacci Chiper. The 934 minutes countdown for his death began on 12/30 at 18:00 PM, he died 934 minutes later, Benedict 16th, 9+3+4=16, 12/30 was 3610 days after he announced his resignation as head of the “Catholic”=361 (Fibonacci Cipher) Church, 3666 months, 6 days since the founding of the Grand United Lodge of England, “Benedictus XVI”=366 Fibonacci Cipher, “Jesus”=366 ES, also, 13 days after the 86th birthday of pope Francis, 113 days after the death of Queen Elizabeth II, 1111 weeks, 3 days (11113) after 9/11, 1300 days after the building explosion of Rocca di Papa, 1130 days after “The Two Popes”, movie about him and Bergoglio, was released in the US, and 3 years, 33 days (333) after the movie was released in the UK. Benedict XVI died on the 3rd anniversary of the first official reported cases of COVID-19 by the Chinese Government and 33 months, 3 exact weeks (333) after the declaration of the COVID-19 pandemic on 3/11/2020. Ratzinger was from Germany, he died 12996 weeks after the Grand LandLodge of Germany was recognised on 11/30/1773, 11/30, “Joseph Aloisius Ratzinger”=1130 RevS, 12996 weeks, “Joseph Aloisius Ratzinger”=296 EO, he became pope on 4/19/2005, 2776 months after the LandLodge was recognised, “Joseph Aloisius Ratzinger”=276 Illuminati, “Ratzinger”=2076 Squares, the “Notre Dame Fire”=415 A occurred on 4/15/2019, 6 years, 6 weeks, 6 days after his last day as pope, 27 February 2013, Georg Gänswein (born July 30, 1956 in

Riedern am Wald), a German clergyman who became known from 2005 as the private secretary of Pope Benedict XVI, an office that he held after Benedict retired in 2013 until his death in 2022, Benedict XVI died on the first day of the 6th month after the 66th birthday of Gänswein. Paul Verner (26 April 1911 – 12 December 1986) was a German communist politician. Verner became a prominent political personality in the German Democratic Republic after the war. Verner became a full Politburo member in 1963, the executive committee for communist parties. For most of the 1970s and early 1980s, he was the second-ranking member of the SED hierarchy, and de facto the second most powerful man in the country after party leader Erich Honecker. He died in Berlin on 12 December 1986, 957 weeks, 6 days before the first day as pope Benedict XVI of German Joseph Ratzinger, who resigned on 2/28/2013, 9576 days or 1368 exact weeks after Verner's death, Ratzinger then died on 12/31/2022 at 9:34 AM, 934 minutes after having been exactly 95.706 years of age, 18:00 of 12/30/2022, Ratzinger died 13168 days after the passing of Verner, who died when Ratzinger was 3113 exact weeks of age, "Beast"=313 Reverse Primes, "Six hundred threescore and six"=313 EO. The permutations of the number 934 are: 934, 439, 349, 493, 394, 943 and their sum is 3552.
The last time a pope and a British Monarch (George IV) died on the same year was in 1830, which was the year of the Tiger in the Chinese Calendar, 2022 was also the year of the Tiger. On 11/30/1830 pope Pius VIII died, Joseph Aloisius Ratzinger=1130 (Reverse Satanic) was born 35200 exact days after the death of Pope Pius VIII. "Satan"=352 English Extended and "Ecclesiae Catholica (Catholic Church)"=352 RO, pope Francis was born on 12/17/36 but on a leap year thus on the 352nd day of the year. The possible first day of sede vacante (period of time without a pope), the day after 22-23 February 2023, will mark 934 exact weeks since the death of John Paul II and 3666 days since Benedict XVI announced, on 11 February 2013, his resignations.

If Jean Zerbo will be elected he will most certainly take the name of Leo XIV because of pope Leo XIV, who made the White Fathers of Africa a recognised clerical order, but also because of Léon Livinhac (13 July 1846 - 12 November 1922), historic Superior General of the White Fathers. The eve of the consecration as bishop of Jean Zerbo marked 66 years, 6 days since the day after the death of Livinhac. Zerbo was installed cardinal titular of the Church of St. Anthony of Padua on via Tuscolana on the 95th anniversary of the death of Léon Livinhac”=905 A, the date of the possible election his as Leo XIV will mark 17773 days since the death of Léon Livinhac, 17773 is an highly meaningful number since it is the Greek Isopsephy (Gematria) value of Revelation 1:11, the first verse to mention Alpha and Omega, which are featured in Zerbo’s Coat of Arms. Revelation 1:11 leaves 393 verses before the end of the Book, “Jean Zerbo”=393 EA, 39x93=3627, the value of John 1:1 and the days from 3/19/2013, date of the official inauguration of pope Francis, to 2/22/2023, the day he might leave the papal seat. “Alpha”=38 EO, 3/8 the date of possible the first (Alpha, beginning) day of Zerbo as pope Leo XIV.

Revelation 1

11 Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.

“Omega”=93 A, 39 AO, again, 39x93=3627, the value of “Genesis”, John 1:1 in Greek, and the number days of the papacy of Francis since his inauguration. “Alpha-Omega”=223 EE, 2/23 possible first day after the last day of Francis as pope. “Alpha-Omega”=79 EO, 191 RO, Zerbo was ordained on 7/10/71, the 191st day of the year, and he might succeed to Francis at the age of 79.

A and Ω, Alpha and Omega, appear in Revelation 1:8, 1:11, 2:16, 22:13, respectively the 8th, 11th, 362nd and 396th, 8+11+362+396=777. The

Eiffel Tower in Paris represents the Greek Letters I, A, Ω, IAO is the Greek transliteration of the Hebrew name of God, YHWH. The construction of the Eiffel Tower started on 1/28/1887 and ended 777 days later, on 3/15/1889.

The engineer who designed the tower that bears his name, Alexandre Gustave Eiffel, was born on 15 December 1832 and died on 27 December 1923, he lived 91 years and 12 days, 91 years and 12 days after his death was 7 January 2015

On the same year Paris had the November 13-14, 2015 terrorist attacks, a series of coordinated terrorist attacks that took place on Friday, 13 November 2015 in Paris, France, and the city's northern suburb, Saint-Denis, with 137 killed (including the 7 attackers) and more than 400 injured.

The Eiffel Tower was inaugurated on 3/31/1889, the day of the Paris terrorist attacks marked 6606 weeks, 6 days since that date, the mark of the beast, 666.

The election of pope Francis marked 46,066 since the beginning of the construction of France's most famous monument on 1/28/1887; on his possible last day in office Francis he will be 4497 exact weeks of age, the same date will also mark 49700 days since the beginning of the works for the construction of the Eiffel Tower, "Apocalypse"=497 Fibonacci Cipher, "Francisco"=479 Fibonacci Cipher, "Jean Zerbo"=479 Fibonacci Cipher might be elected on 8 March 2023, 49713 days since 1/28/1887, 49713 entails 4973 and 13 respectively the 666th and the 6th prime number.

The date 8 March 2023 will mark 2671 since the Paris Attacks, 2671 is the 387th prime number, 3=March, 8=Day, 2+0+2+3=7: 387. "The White Fathers of Africa"=387 EO. 2671 days since the Paris Attacks might be the perfect date for the 267th pope to be elected, moreover, pope in Hebrew is written אַפִּיפְיוֹר which is equal to 387 in Hebrew Gematria

Again, the Eiffel Tower represents the Greek letters for YHWH, "IAΩ"=811 Greek Isopsephy (10+1+800), "Leo XIV"=811 Trigonal; 811
